On behalf of students from Duxbury Public Schools, we want to express our support for the Duxbury Rotary Peace Pledge and to affirm the principles outlined in the Pledge for Peace.

The mission of the Duxbury Public Schools is to provide each student with equitable access to achieve personal and academic excellence. We feel that the Duxbury Rotary Peace Pledge emphasizes practicing peace through compassion, empathy, and understanding, which directly aligns with the values that we instill in all students and teachers at Duxbury Public Schools.

This recognition powerfully highlights the strong values upheld by our students, teachers, and staff who work tirelessly to create a learning environment that is not only safe and enjoyable but also committed to excellence. Education thrives when students feel a sense of trust and peace, and this designation reinforces our unwavering commitment to those principles.

Duxbury Public Schools is fully committed to not only educating our students but also actively promoting peace through community engagement. We understand that true peace goes beyond simply avoiding conflict; it involves fostering a shared understanding and mutual collaboration within our community. We recognize that maintaining peace is often challenging, but through open dialogue, conflict resolution, and mutual respect, we believe that Duxbury Public Schools can strive to excel.

Lastly, thank you for your consideration and for your continued service to the residents of Duxbury. We would be honored to join the library, senior center, DSU, DIC, police & fire departments in affirming this Peace Pledge.

Sincerely,

The Students of Duxbury Public Schools
