Dear Members of the Duxbury Rotary Club,

On behalf of the Duxbury Fire Department, I am pleased to offer our strong support for your mission to make Duxbury an International City of Peace. Your commitment to fostering equality, understanding, cooperation, and nonviolence reflects the very values that strengthen our community and enhance the safety and well-being of all who live, work, and visit here.

As first responders, we witness every day how peace begins at the local level through trust, compassion, preparedness, and neighbors looking out for one another. The vision of an International City of Peace aligns closely with our department's mission to protect life and property while promoting resilience, unity, and mutual respect. Initiatives that encourage dialogue, service, and global awareness contribute directly to a safer, more connected community.

We commend the Duxbury Rotary Club for its leadership and dedication in advancing this important effort. Your work exemplifies service above self and demonstrates how civic organizations can inspire positive change both locally and beyond our borders.

Thank you for your continued service to Duxbury and for championing a future grounded in peace.

With respect and appreciation,

Brian J. Monahan, EFO
Deputy Fire Chief
